

E-governance Report

Sree Narayana College of Education is committed to leveraging technology to enhance governance, academic administration and student services. This report highlights our e-governance and achievements for the year.

E-governance Initiatives

1) **Digital fee payment**

We have digital fee payment options reducing cash transactions by 90%.

2) **Enhanced security and convenience for students and parents**

Introduced online examination system for the students, reducing paper usage. Saving time, high accessibility etc.

3) **Digitalised Library**

The college has National Digital Literacy Club of India membership, E ShodhSindhu membership, Koha – OPAC – User interface 24/7 access.

4) **Attendance Management System**

Implemented a biometric attendance system ensuring accurate attendance tracking.

Sree Narayana College of Education is committed to continuous improvement in E-governance, enhancing transparency, efficiency and student satisfaction. We will continue to leverage technology to achieve excellence in academic administration and student services.
